Language Arts*Science

Social Studies

We are off to a great start!

Tuesday, we covered lots of 'procedures'. Wednesday, we made our first class book, Brown Bear, Brown Bear. The "K" Kids will be taking turns bringing home the book. Thursday, we read about Corduroy bear and painted bears. Friday, we did the "Three Bears Rap" and made characters to retell the story.

Next Week

"Nursery Rhymes & Friends"

Mon...Computer Lab/Library

Tues...PE/Music

Wed...Computer Lab

Thurs...PE/Music

Fri...Library

Math

We started right in with our math curriculum this week. Our first topic is "Sorting". We practiced sorting by color, shape, size, and other attributes. Some of the math words that we learned were: sorting, same, different, graph, and equal.

Welcome

I hope that everyone is off to a good start this year. We had a wonderful first week, and we're exhausted. This is normal and does improve. It was good to get to meet you during our open House and orientation. These seem to be whirlwind events, but I look forward to visiting with you all individually in the near future. If you have questions or concerns, please send me a note or e-mail or call 293-5070.

Homework

Your child has a folder in his her backpack. This folder contains Friday notes and a homework poem. Please complete at least the first section of activities with the homework poem and return the folder by the following Wednesday.

Sincerely,
Mrs. Brockhaus, Mrs.
Mongymaker
and the "K" Kids
